We thank you for your inquiry. We are pleased to provide you with the following offer. Please note that the offered prices are current at the time of the offer, and we reserve the right to make price adjustments.

We would be very pleased if you accepted the offer. If you have any questions, we are of course at your disposal.
We have largely decentralized our production and all related processes and distributed them across several production sites, which is why our internal processes are completely geared towards handling via the website.
An order must therefore be placed via the shop, as this is the only way for production, graphics, engraving, pre-press, etc. to access all relevant order data. Orders via email are therefore no longer possible.
If you use a separate email address for the delivery of invoices, please inform us of this after creating an account, and we will set up the sending of a copy to this email address.
Payment can be made directly in the shop via PayPal, direct debit, or bank transfer. For delivery and billing addresses within Germany, payment by invoice is also possible. If you require dealer prices, please register as a dealer at https://www.namensschilder24.de/Registrieren-Sie-mich-als-Haendler. After a successful review of the possibility of becoming a reseller of our products, you will receive corresponding discounts.
